## BRISBANE

Brisbane, the home of UQ's St Lucia and Herston campuses, is the capital city of Queensland and its economic engine-room. Young, progressive and multicultural, the city is fast becoming a hub in the Asia-Pacific for business, investment, major events and education. It is also home to over 200 nationalities and 220 languages.

### Entertainment

Brisbane has a great live music scene in Fortitude Valley and West End. For comedy, live theatre and dance, head to the Brisbane Powerhouse and the Queensland Performing Arts Centre (QPAC). The Gallery of Modern Art (GOMA) is one of the best modern art galleries in the country, and keep an eye out for the Brisbane Writers Festival and the Brisbane Festival that attract international artists from across the globe.

### Sport

Brisbane's amazing weather and sporting facilities make physical activity a must. Kayak along the Brisbane River, climb to the top of the Kangaroo Point Cliffs, ride along more than 20 kilometres of riverside cycle paths, join a sporting club, or barrack like a local when you attend a rugby union, rugby league, cricket, 'Aussie Rules' or soccer match at one of our famous stadiums.

## Getting around

One of the best views of Brisbane is from a CityCat – a ferry service that runs along the river from UQ's St Lucia campus to the city and the riverside suburb of Hamilton. Brisbane also has an extensive bus and train network that makes it easy to get around. A *go card* will allow you to travel on all Brisbane public transport at discounted student prices.

## Around Brisbane

When you want to head out of the city, there is plenty to discover. Go south for the famous golden sands of the Gold Coast and Byron Bay, north for the quiet beaches of the Sunshine Coast or the majestic Great Barrier Reef, west for ancient rainforests and charming outback towns or east for the spectacular Moreton Island, Stradbroke Island and Fraser Island. Sydney, Cairns and Melbourne are all short flights away. You will wish you had time for more holidays.

## GATTON

UQ Gatton students enjoy a laid-back country lifestyle in a close-knit community. Gatton, the largest town in South East Queensland's Lockyer Valley, is the home of the UQ Gatton campus. Bordered by unspoilt mountain ranges and located only 87 kilometres from Brisbane, Gatton has a culturally diverse population of approximately 7000 people.

# UQ ST LUCIA

Considered one of the most beautiful campuses in the world, our main campus is a vibrant mix of old sandstone buildings, modern architecture, parklands and lakes. It is a city within a city with everything you need to study, live and relax.

## Food

St Lucia is full of cafe and food options. From great coffee and bakery food, to a make-your-own sandwich station, pizza, vegetarian food, noodles, bubble tea and juice bars, you won't go hungry or thirsty. Options include organic and halal food.

[uqu.com.au/food-retail](http://uqu.com.au/food-retail)  
[instagram.com/uqfood](https://www.instagram.com/uqfood)

## Retail

You don't need to leave the campus for your shopping. There is a Co-op bookshop, a shop where you can sell your secondhand books, banks, a hairdresser, a travel agent, a post office, newsagencies and a Wednesday market offering handicrafts, gifts and fashion. Grocery stores are only a short walk away.

[uqu.com.au/food-retail](http://uqu.com.au/food-retail)

## Entertainment

Check out live music on campus at the Red Room. Grab a bite to eat close by at the Pizza Caffe before catching a theatre production at our Schonell Theatre. For some inspiration, head to our art, anthropology or antiquities museums.

## Fitness

You can access UQ Sport venues all year round at discounted student prices. There is a cardio and weights gym, 25-metre and 50-metre pools, an Olympic-standard athletics track, 21 floodlit tennis courts, netball courts, hockey fields, cricket nets, several ovals where you can stretch your legs, and much more.

[uqsport.com.au](http://uqsport.com.au)

## Library

We have ten libraries on campus. Each features computers for students, group rooms, 24-hour study rooms, quiet areas, plus friendly staff ready to help you with research, training, finding past exam papers, printing in 3D and details about the latest author talk, lecture or panel discussion in the library.

[library.uq.edu.au](http://library.uq.edu.au)

## Healthcare

If you need to see a doctor or a dentist, head to our friendly staff at the UQ Health Service clinic. The pharmacy is close by, should you need any medicine.

[uq.edu.au/healthservice](http://uq.edu.au/healthservice)

# UQ GATTON

**Our rural campus is located near the town of Gatton, 87 kilometres west of downtown Brisbane. It offers a laid back and friendly lifestyle, world-class teaching and research facilities, farms, a community garden and sports facilities.**

## Food and retail

You can buy food and drinks from the Coffee Cart, Dining Hall and Walkway Café, and you can purchase and sell books at our retail bookshops. There is an on-campus ATM and a post office, and keep an eye out for the regular Walkway Markets attended by local growers and suppliers.

## Green thumbs

Two campus farms house animals, horticultural fields, a plant nursery, post-harvest facilities, research laboratories, greenhouses, and plenty of machinery. Grow your own herbs and vegetables in the campus community garden.

## Fitness

Gatton's gym has a weights room and offers fitness classes every week. You can go for a swim in the 25-metre pool or grab a friend and head to the squash courts, tennis courts, the indoor sports hall or one of three ovals.

## Library

Gatton's two-level library features computers, 24-hour study spaces, a phone-friendly space, group rooms and adjustable workstations.

## Free intercampus bus service

UQ provides a free intercampus bus service between UQ Gatton and UQ St Lucia for students and staff.

# UQ HERSTON

**This campus is located in the heart of Brisbane's health district.**

It is home to our Medicine and Public Health schools, the Queensland Institute of Medical Research, UQ's Centre for Clinical Research and the Oral Health Centre.

Next door is the Royal Brisbane and Women's Hospital and the QIMR Berghofer Medical Research Institute.

There is a bank on campus, ATMs, a gift shop, a pharmacy, a post office, newsagency, food stores and a bookshop.

Herston's Health Sciences library features computers, group and individual rooms, 24-hour study spaces, a consultation room, and access to the Queensland Health network.

# FIND A UQ COURSE

## STEP 1 Search

Go to [my.uq.edu.au/programs-courses](http://my.uq.edu.au/programs-courses)

Enter a search term in the search bar – you can search by course code or area of interest – and choose 'Courses' from the drop down menu on the right-hand side to explore available courses.

## STEP 2 Click

Click on a course code or title

Check the level of the course (undergraduate or postgraduate), and which semester and campus it is offered: click on the semester for course description.

NOTE: Course information for 2019 will not be available until September/October 2018. Until that time select the most recent year to view the course description.

## STEP 3 Check

Check course description page

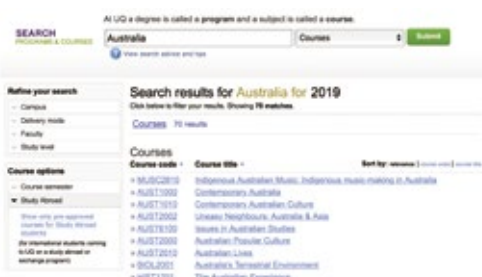

Here you will find a short description of the course as well as a link to a detailed course profile: if the course is pre-approved for Study Abroad and Incoming Exchange students, there will be a note on the sidebar on the left stating this (if the course is not pre-approved, you must meet the prerequisites to apply). To access additional course information such as learning objectives, resources, activities and assessment, click on the most recent course profile link in red.

## STEP 4 Refine

Refine your search

Go back to the search results page and, from the left navigation menu, select as many filters as you want: for example, refine your search to include only pre-approved courses for Study Abroad students and/or courses offered in a particular semester. TIP: if you do a new search, you will have to refine it again.

## SETTLE IN

### Getting started

Smooth your transition to Brisbane and university life by attending one of our Getting Started sessions either when you arrive or during O-Week. Attendance is compulsory for all international students. In the session, you find out how to enrol, register for classes, get your student ID card and set up a bank account. We also tell you about what services and facilities are on campus, how to register for public transport student discounts, and what your best options are for getting to and from UQ.

## COME BACK

### Postgraduate study

After completing your undergraduate degree you can come back to UQ for your postgraduate studies, joining former UQ exchange student luminaries like Professor Bernard Degnan. Professor Degnan came to UQ from the University of Southern California in one of the first exchange cohorts. While here, he became enchanted with the Great Barrier Reef and returned to UQ to complete a PhD. Thirty years later, his work on eradicating the destructive Crown of Thorns starfish is set to revolutionise efforts to preserve the Great Barrier Reef.

"You will obtain a new perspective on culture, language skills, a unique education, responsibility, and willingness to learn new things.

It's completely different from a holiday, because you will experience your new location in the long-term, and have the opportunity to pick up local knowledge (e.g. where to buy the tastiest pastries, which tourist attractions to avoid, and how to navigate the hidden but picturesque streets). After all, you aren't visiting – you're living."

# ACCOMMODATION

**We have accommodation options to suit your lifestyle and make you feel at home. Live in a college on one of the best campuses in the world, head inner city for off-campus student accommodation, or find your own home in the private housing market.**

## **On-campus colleges**

Do you want a traditional, immersive university experience? If you are studying at one of UQ's Brisbane campuses you can live in one of our ten colleges at UQ St Lucia, or if you are studying at UQ Gatton, live at the Gatton Halls of Residence. You can walk to class, enjoy services like academic support and social and sporting activities, and your meals are provided. Plus, you will make friendships for a lifetime. Apply before you arrive to secure a room.

[liveuq.edu.au](http://liveuq.edu.au)

## **Off-campus student accommodation**

Do you want to cook your own meals but still live in a student community in the inner city of Brisbane? Choose from one of our recommended student accommodation providers. A variety of studio and single-bedroom apartments are available as well as rooms in two- to six-bedroom units. You can pre-book a room before you arrive.

[my.uq.edu.au/accommodation/approved-providers](http://my.uq.edu.au/accommodation/approved-providers)

**Arrive around one month before classes start** to get organised, arrange inspections and lodge your rental application. Make sure you arrange temporary accommodation for when you land, if necessary.

## Private housing

Are you the more independent type? You might like to share a house or apartment with other people. Brisbane's rental market features everything from low-cost share houses to high-rise apartments, while Gatton's rental market features a range of affordable share houses. To find a room, apartment or house, first check our database, UQ Rentals. There are also private rental accommodation websites and you can rent directly from real estate agents. At the start of a lease you typically pay two weeks rent in advance and a bond (which is four weeks rent). You should get the bond back at the end of your lease if you maintain the property well. Make sure you inspect a property in person before paying money or signing anything.

[uqrentals.com.au](http://uqrentals.com.au)

## UQ Accommodation team

Our UQ Accommodation team can help you find your new home. If you are new to the housing market, attend one of their free information sessions two weeks before classes start. The team can also give you advice, check documentation for you, and direct you to useful material online.

[accommodation.uq.edu.au](http://accommodation.uq.edu.au)

## Guaranteed accommodation

UQ offers guaranteed accommodation for international students commencing at Herston or St Lucia in their first year of study.

[my.uq.edu.au/guaranteed-accommodation](http://my.uq.edu.au/guaranteed-accommodation)

## Associate members program

Does college life appeal to you but you are not going to live in a college? As a first year student, you can access a college's resources and participate in their activities through our college associate members program. Membership benefits vary between colleges.

[liveuq.edu.au/the-colleges](http://liveuq.edu.au/the-colleges)

## Airport pick up

If you are new to UQ, we'll provide you with free transportation from Brisbane's domestic or international airports. Just make sure you book three days in advance.

# COST OF LIVING

**Brisbane is an affordable city, offering a lower cost of living than Sydney, Melbourne, Perth or Canberra.<sup>^</sup> To make the most of your time in Australia, we recommend you plan and budget for your study and vacation time.**

## Monthly costs

How much it will cost you to live in Brisbane will depend partly on your lifestyle preferences and where you choose to live. For example, if you live in an on-campus college, expect to pay from \$1760–\$3340 per month. If you choose a private student accommodation provider, you will pay in the vicinity of \$1380–\$2720 per month. If you are the more independent type and want to live in a share house (off-campus private accommodation), your monthly budget will be in the range of \$1400–\$2260 (this does not include establishment costs such as rental bond, furniture and utilities set-up).

## Weekly expenses

The table below estimates weekly expenses for studying at UQ. These estimates are a guide only and prices vary according to your lifestyle. UQ tuition fees, textbooks, clothing, entertainment, printing, and healthcare costs are in addition to the figures below.

## Working while studying

If you have a student visa you can work up to 40 hours per fortnight (two-week period) during university semesters, and full-time hours during vacations. In general, students shouldn't expect to cover tuition fees or living expenses by holding down a casual job.

If you are studying at UQ on a scholarship, contact your scholarship provider about how many hours you are permitted to work each week.

# FEES AND EXPENSES

**As an international student, you will pay tuition fees and potentially other administrative fees. Some courses have additional costs; see individual course listings for details.**

## **Tuition fees**

### **Study Abroad**

Study Abroad tuition fees for 2019 are \$12,650 per semester regardless of the number of courses taken. A standard full-time load for one semester at UQ is eight units (which usually equates to four courses). Please note, this fee is indexed annually and is subject to change.

### **Incoming Exchange**

If you come to UQ on an Incoming Exchange program, you pay tuition fees to your home institution based on the fee requirements of your home institution. A standard full-time study load for one semester at UQ

is eight units (which usually equates to four courses). You should contact the Exchange Office at your home institution for details.

what-does-it-cost](http://uq.edu.au/studyabroad/what-does-it-cost)

### **Health insurance**

If you will be coming to Australia on a student visa, you will need to purchase Overseas Student Health Cover (OSHC) as one of the conditions of your visa. This is an insurance policy that covers you for basic medical and hospital care and is required from the day you arrive in Australia until you leave. UQ's preferred OSHC provider is Allianz Global Assistance. UQ can

organise your OSHC with Allianz when you accept your UQ offer and pay your tuition fee deposit. Alternatively, you can obtain your own OSHC from a government-approved OSHC provider.

international/health-insurance](http://future-students.uq.edu.au/international/health-insurance)

### **Refunds**

Refunds are made to international students in accordance with our Policies and International Student Refund Procedures.
